

JEB DUNNUCK

QUIXOTE 2017 CABERNET SAUVIGNON

MATURITY: 2020 — 2030

January 31, 2020

92 POINTS

The 2017 Cabernet Sauvignon Quixote is a blend of 77% Cabernet Sauvignon, 10% Malbec, 8% Petit Verdot, and the rest Cabernet Franc that's all from estate vineyards in Stags Leap. Aged 19 months in 50% new French oak, it has classic notes of red and black currants, toasted bread, violets, and white chocolate. These give way to a medium to full-bodied, silky, elegant wine that has no hard edges, notable balance, and a great finish. Drink it over the coming decade.
