QUIXOTE 2021 CABERNET SAUVIGNON HELMET OF MAMBRINO

MATURITY: *unavailable*

92-94 POINTS

The flagship from the estate and from the cooler, western edge of the property, the 2021 Cabernet Sauvignon Helmet of Mambrino has lots of bright red and blue fruit characteristics as well as floral, spicy, sappy herb-like nuances that develop with time in the glass. With medium to full-bodied richness, fine, elegant tannins, and terrific overall balance, it should shine with just a few years of bottle age.
