Tasting Date: December 2025

Region: United States, California, Napa Valley, Stags Leap District

Main Grape Variety: Cabernet Sauvignon

Reviewer's Comments: The 2021 Cabernet Sauvignon is made from 97% Cabernet Sauvignon, 3% Petit Verdot. Deep garnet-purple colored, intense notes of cassis, blueberry preserves, and baked plums leap from the glass, giving way to suggestions of Indian spices and camphor. The full-bodied palate delivers firm, grainy tannins and a lively backbone to frame the taut, muscular black fruit, finishing long and savory.
